STATE PROCUREMENT DIVISION  
GENERAL INVESTIGATION

TO: Chief Procurement Officer

FROM: DHS/HCDCH  
(Department/Division/Agency)

Pursuant to §103D-307, HRS and Subchapter 10, Chapter 3-122, HAR, the Department requests approval for this emergency procurement.

Date: December 2, 2005	After the fact: <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
Nature of the Emergency: Potential flooding of Kamehameha Highway due to the overgrowth of trees and brush in the unnamed stream located in Waiahole, Koolaupoko, Oahu, Hawaii. During heavy rains, the overgrowth may cause water to rush onto Kamehameha Highway and require closure of that highway section.	

Vendor: Glad's Landscaping & Tree Trimming	Amount: \$49,478.85
--	---------------------

Description of goods, services, or construction to be purchased:  
 Labor to clear a 150' by 75' section of the overgrowth. Specialized equipment will be used to the extent necessary and permitted to complete the clearing. See attached bid.

Reason for Vendor Selection: HCDCH is partnering with the City and County of Honolulu Department of Design and Construction (DDC) in the clearing work. The DDC completed the emergency procurement bid process and the vendor was the low bidder. HCDCH agreed to contract with the vendor for 50% of the low bid. The DDC will contract with the vendor for the remaining 50% of the bid. See the attached ~~City Council Resolution No. 05-222 and recent correspondence with the City DDC.~~
