12. ~~Chief Procurement Officer's comments:~~
On review of this request EP-07-025-A dated 2/28/07, we recommend your department conduct a review or survey of all pole structures to identify replacement needs, and thereafter issue a solicitation consolidating your requirements. This may be conducted on an annual basis to ensure all structures are properly identified for replacement to minimize the practice of addressing the pole structures through an emergency means. Questions or concerns on this procurement matter may be directed to Justin Fo at 586-0577.
