**Goods and Services Required**

The following goods and services are required for the State of Hawaii exhibition booth at the Risk and Insurance Management Society (RIMS) 2011 Annual Conference & Exhibition, May 1-5, 2011 in Vancouver, Canada.

1. Labor for the following:
  - Install and dismantle booth structure
  - Install and dismantle electrical outlets
  - Install and remove carpet/padding
  - Janitorial service (daily vacuuming and emptying of booth wastebaskets)
  
2. Rental/Installation of the following items:
  1. Furniture
    - tables
    - chairs
    - stools
    - wastebaskets
    - power strips
    - bag racks
    - Other small furniture items or accessories may be added (if needed) for booth exhibition
  
  2. Carpeting and carpet padding
  
  3. Electrical
    - 500 watt outlets
    - extension cords

3. Material handling and drayage

Move all booth materials from the convention center loading dock to the booth space; after the show, move booth materials back to the loading dock to be transported back to Hawaii. Anticipated material to be moved includes the booth structure, promotional give-aways and informational fact sheets.

**Justification for selecting Freeman**

Freeman is the official on-site services contractor for RIMS 2011 Convention in Vancouver, Canada. Freeman staff is familiar with the key individuals managing the event, and also have insight and control of the entire show process. Time and money can be saved using Freeman to assist us in the pre-show planning process.

Below are the necessary items that our booth will require:

1. Labor
  - Electrical labor installation and dismantling
  - Booth assembling and dismantling
  - Carpet delivery, installation and removal
  - Daily cleaning and vacuuming

The Vancouver Convention Centre West (site of the RIMS Conference) has work rules, which covers the exhibitors' rights and union jurisdictions. The rules allow booth set up (to install and dismantle) by the exhibitors using their full-time company employees or the convention center union labor. Since the Insurance Division staff attendees do not have the expertise, tools or time to set up the booth, the alternative is using the Freeman union labor.

2. Rental of furniture, carpeting/padding, and electrical outlets

Alternatives are:

- (a) Purchase or rent these items in Hawaii, ship it to Vancouver for the convention then back to Hawaii.

The total shipping costs, convention center handling costs (for moving the items to/from the loading dock and to/from the convention center), and Hawaii purchase/rental cost is greater than the rental cost charged by Freeman.

- (b) Rent furniture or electrical service from vendors in Vancouver and have it delivered to the convention center.

We do not have any first hand knowledge of vendors in Vancouver to be assured of the quality of the items rented. Additional costs would be incurred by the Vancouver Convention & Exhibition Center for transporting items to/from the loading dock & booth space, and additional labor charges will be incurred to install/dismantle rented items.

The most **cost efficient method is to use Freeman.**

3. Material handling and drayage

The site work rules requires Freeman to handle all of the material moving from the loading docks to the booth space back to the loading dock. This cost cannot be avoided. There is no other alternative.

# UNION REGULATIONS

To assist you in planning your participation in your Vancouver show, we are certain you will appreciate knowing in advance that union labour may be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following:

## CAMW - CONSTRUCTION MAINTENANCE & ALLIED WORKERS UNION

The Construction Maintenance & Allied Workers Union are providing labour for display installation and dismantling. Full time employees of the exhibiting companies however, may set their own exhibits without assistance from these locals. Labour can be ordered in advance by returning the Installation & Dismantle Labour Order Form, or on showsite, at the Freeman service desk.

## MATERIAL HANDLING

Exhibitors may hand-carry their own materials into the exhibit facility through the front doors. The use of dollies, pump trucks and other mechanical equipment is not permitted. Freeman will control access to the loading docks in order to provide for a safe and orderly move-in/move-out.

## TIPPING

Freeman requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all Freeman employees. Any request for such should be brought to the attention of a Freeman representative at the Freeman service desk or correspondence may be directed to the attention of the General Manager at the local office address.

## SAFETY

Standing on chairs, tables or rental equipment is prohibited. This equipment is not engineered to support your weight. Freeman cannot be responsible for injuries in assembling your booth, please order labour on the Display Labour form and the necessary ladders and/or tools will be provided.
