

STATE OF HAWAII JUN 15 P1:07

# NOTICE OF AMENDMENT TO EXEMPTION FROM CHAPTER 103D, HRS, CONTRACT

STATE PROCUREMENT OFFICE  
STATE OF HAWAII

TO: Chief Procurement Officer

FROM: DAGS/Central Services Division  
(Department/Division/Agency)

Name of Contractor: Kone Inc. P.E. Reference Number: 00-38

Description of goods, services, or construction:  
Monthly Elevator Service and Maintenance, Trouble Call Response and Off-Hour Trouble Call Response.

The scope of work for the contract is revised as follows:  
The completion date of the agreement shall be modified from June 30<sup>th</sup>, 2005 to December 31<sup>st</sup>, 2005.  
*Our current document is an agreement between the contractor and the State of Hawaii for the initial monthly service pricing and hourly labor rates for trouble calls, and did not include a "Contract Price". The agreement includes the method for calculating rate increases (based on mechanics' union's labor rate increases and current material pricing).*

Maui \$	306.52	Cost for Extension Period: \$	<u>63,005.52</u>
Kauai \$	429.15	Amended Contract Price: \$	_____
Hawaii \$	423.03		
Oahu \$	<u>9,342.22</u>		
Current Monthly Rate: \$	<u>10,500.92</u>		
Original Contract Price: \$	_____		

PE: 00-38-

This / These amendment(s) are necessary because:

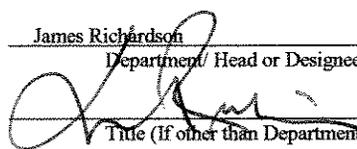

Currently, through this exemption, the service and maintenance for these elevators have been performed by the Original Equipment Manufacture's local representative (OEM). This exemption is due to expire on June 30th, 2005 and a new contract is being prepared to bid out the work in lieu of negotiating with the OEM.

Due to the limited capabilities of the DAGS Procurement Office, resulting from limited staffing, the bidding process is expected to take approximately 6 months. (Per Ruth Yamaguchi, the extension to December 31<sup>st</sup>, 2005 should be sufficient time to secure a low bidder for the elevator service and maintenance contract.)

A 6 month extension of the current exemption and agreement with the contractor, *at the current pricing*, will allow the Elevator Servicing and Maintenance to continue, uninterrupted, until the new contract is executed.

*Pursuant to § 103D-102, HRS, and § 3-120-5, HAR, I certify that the information provided above is, to the best of my knowledge, true and correct.*
