 AMEC shall provide emergency mold and moisture consulting services to the Hawaii State Public Library System. Included in these services is a moisture and mold assessment of building materials and internal contents of the Ewa Beach Public and School Library. A preliminary walk through has indicated mold and moisture impacted areas within the library. AMEC shall provide a work plan for a remedial contractor. Post-remedial verification shall also be provided and will include clearance of the library for reoccupation or reconstruction. Please see AMEC proposal dated April 22, 2006.
