The day-long workshop is targeted to Maui small business owners, employees & entrepreneurs with new Internet techniques to help expand markets through Internet sales.
The U.S. Dept. of Commerce-Economic Development Administration (EDA) awarded a grant to HTDC in June, 2004 with an expiration date of April, 2009. One aspect of the EDA grant scope of work is to conduct training series on eCommerce, including expansion of markets through Internet sales. The grant also has a service provider "in-kind" match requirement of 1:1 (match a minimum of dollar for dollar in donated time, supplies, and services for any funds paid to them as HTDC contractors for services). This workshop will achieve both the scope and requirements of the grant during the grant term.
