Name of Vendor:	World Wide Techology, Inc.	Cost:
Address:	127 Weldon Parkway Maryland Heights, MO 63043-3101	\$157,063.20

Term of Contract:	From:	To:	Prior Exemption Ref. No. (if applicable)

Explanation describing how procurement by competitive means is either not practicable or not advantageous to the State:

The Hawaii Occupational Safety and Health (HIOSH) participate in the US Occupational Safety and Health Administration's (OSHA) computer network. In order to continue to participate in the OSHA computer network, HIOSH is required to upgrade its computer system to OSHA standards. The OSHA's Directorate of Information Technology (DIT) has required that HIOSH purchase its computers from World Wide Technologies Inc. See attachment.

Details of the process or procedure to be followed in selecting the vendor to ensure maximum fair and open competition as practicable:

The OSHA-DIT stated in its memorandum to the Director of Labor that it has negotiated on the behalf of the States an agreement with World Wide Technologies for the purchase of these computers. See attachment.

A description of the agency's internal controls and approval requirements for the exempted procurement:

Current department of Labor's procurement rules, review and monitoring are in effect.

A list of agency personnel, by position title, who will be involved in the approval process and administration of the contract:
