6. Describe the circumstances justifying a restrictive purchase:

In accordance with the requirements of the U.S. Administration on Aging (AoA) SMP Integration Grant, grantees must target training and education to isolated and hard to reach populations. These include minority, ethnically or culturally diverse, low-income, non-English speaking, tribal, isolated, and rural populations. On the guidance of Administration on Aging, EOA will focus its efforts to strengthen outreach efforts to seniors in the Native Hawaiian community.

In fulfilling grant requirements, EOA seeks a service provider with the following criteria:

- proven experience in servicing programs to Native Hawaiian seniors.
- capacity to outreach and service, statewide.
- cultural competency in developing educational resource materials.
- familiarity in working with county, state, and federal aging services.
- knowledge and experience with AoA grant reporting requirements.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

AoA instructed EOA to list Alu Like on the grant application to service Native Hawaiian elderly statewide. The guidance to coordinate outreach efforts was due to fact that both EOA and Alu Like receive AoA funding. Consequently, the intent of the collaboration was to prevent redundancy and duplication of services and maximize federal dollars.

Alu Like is the sole grantee of AoA Title VI funds and is already responsible for providing supportive and nutritional services statewide to Native Hawaiian elders who are 60 years of age or older. As a grantee of Title VI funds, Alu Like was selected by AoA on their capacity to service Native Hawaiian seniors statewide. It has been determined by EOA that Alu Like as a grantee of AoA Title VI funds is the sole service provider with the capacity and experience to carry-out SMP Integration Grant objectives.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Derrick Ariyoshi
SageWatch Program Coordinator
