

STATE OF HAWAII
**NOTICE OF AND REQUEST FOR
 RESTRICTIVE PURCHASE OF SERVICE
 PURSUANT TO §103F-403, HRS**

To: Chief Procurement Officer

From: **Department of Defense - Fiscal Office**
Department/Division/Branch or Office

Pursuant to §103F-403, HRS, and Chapter 3-144, HAR, the department head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

1. Title and description of health and human service(s): Operation About Face About Face is a year-round program for in-school and out-of-school older youth that would use the resources of the Hawaii County Workforce Investment Board (HCWIB) and the Hawaii National Guard (HING). The program will deliver an after-school and year-round training program for In-School Youth designed to improve academic performance, develop life skills, assure employability, provide effective case management, set up work experience opportunities and involve mentors. The program will serve out-of-school older youth in a career placement academy that will first provide work readiness and occupational skills training, with work experience, and placement into unsubsidized employment that is supported with ongoing case management.	
2. Provider Name and Address:	The Paxen Group, Inc. 710 Atlantis Road Melvourne, FL 32904
3. Total Contract Funds:	\$405,350
Contract Funds per Year (if applicable):	\$243,210
4. RH No. of Previous Request for this Service (if applicable)	
5. Term of Contract:	Start: upon approval End: 8/31/2008 If the contract term is longer than 1 year, provide justification for the extended term: Program is an continually ongoing year-round program to meet the requirements of the Workforce Investment Act of 1998 (WIA).

RESTRICTIVE PURCHASE OF SERVICE
PURSUANT TO §103F-403, HRS

6. Describe the circumstances justifying a restrictive purchase:

1. Paxen has been the delivery agent for NGB for About Face for the past ten years.
2. The curriculum has been tested and improved upon in five different states and fourteen cities successfully by Paxen.
3. There is no other organization that can provide in-depth knowledge of the About Face curriculum in the time allotted.
4. Paxen will also be able to implement an effective delivery that will include staff training, monitoring, and the unique payroll mechanisms for both the staff and participants receiving incentive pay.
5. As a tested delivery agent for NGB, Paxen will be able to leverage the resources of the National Guard such as armory facilities and National Guard mentors which other providers will not have access to without a separate agreement with NGB or for compensation. Any compensation will reduce the amount available to the program.
6. Without an approved NGB agent, the provider will not receive National Guard mentors. Paxen includes the daily role model and career exploration interaction with Guard personnel that is so valuable for these impressionable young people. NGB has approved the use of the Guard for About Face.
 7. Without NGB support, the State will not be able to execute this contract with the budgeted amount and the State will have to return the funds to the Federal WIA program.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

The Department of Defense was awarded a contract from the County of Hawaii based on the proposal submitted to incorporate the use of Operation About Face (About Face) to deliver services to a targeted group of youth on Hawaii. About Face is a program specifically designed for the National Guard Bureau (NGB) to conduct an after-school and year-round program customized to meet the youth elements, core performance outcomes, and goals contained in the workforce Investment Act of 1998 (WIA). The Paxen Group, Incorporated (Paxen) was contracted by NGB to design the About Face program to meet the funding requirements of WIA and Temporary Assistance for Needy Families (TANF).

SUBJECT: About Face Program

This is to clarify how the Department of Defense received the initial pilot program funds to execute the Hawaii National Guard About Face Program on Kauai in 2003.

In the summer of 2003, the department was contacted by Kimberly A. Folsom, National Coordinator for the National Guard Bureau for their Operations About Face & Forward March Programs, for the Adjutant General's (TAG) approval to develop a response to the RFP from Kauai County advertising for the In School and Out School programs funded by Workforce Investment Act (WIA). Having received the approval from TAG based on a pilot program, Ms. Folsom worked with The PAXEN company to submit the RFP to Kauai County. After the RFP was accepted by Kauai County, Ms. Folsom worked with Maria Medua of Kauai County to develop a contract for DOD to initiate the program using PAXEN as a subcontractor.

The initial pilot program on Kauai was a success and the demand for the program in the neighbor islands was so great that funds were made available through an MOA with the Department of Human Services (DHS) for TANF funding to expand and continue the About Face Program.

The About Face Program was expanded to the Hawaii, Maui and Oahu within the next years and in 2005, the Department responded to an RFP for the County of Hawaii to conduct the In School and Out School program using WIA funds. Since the About Face Program had the infrastructure already set up from the funds received from DHS and the provider was already on island providing the services, PAXEN was selected for the WIA funding to provide the youth of Hawaii County a seamless transition to the Youth Programs of the Department.
