From: Department of Human Services, ~~Benefits, Employment and Support Services Div.~~
Department/Division/Branch or Office

1.	Title and description of health and human service(s):	
	Project: Ka Pa'alalan (formerly) Malama Mobile. The Ka Pa'alana project will utilize two unique and complimentary training programs, Tutu and Me and the Family Education Program to provide services to the homeless. Services will also include the Family Education Program, the Hawaiian Model of the National Family Literacy Program (NFLP) in further training parents to rear their children for success. The NFLP has recognized this unique model for use in Hawaii by NFLP certified trainers. No other family education program in the State utilizes staff certified by NFLP or this culturally specific model. Additional services wrap-around services will be provided by the project under separate funding from Kamehameha Schools.

RESTRICTIVE PURCHASE OF SERVICE
PURSUANT TO §103F-403, HRS

6. Describe the circumstances justifying a restrictive purchase:

This request seeks to amend the already approved request RH 07-16 by enhancing and expanding those services in Wai'anae as well as other areas where homeless populations are found, including Waimanalo, Maililand and the North Shore. Homelessness is a serious problem in the State of Hawaii. The State has recently initiated extensive efforts to construct, staff and implement a variety of new shelters and transitional housing projects. In Hawaii, the largest proportion of homeless families are part Native Hawaiian. Hawaiian communities are best served with programs that are designed with sensitivity to Hawaiian culture. This program was developed by a Native Hawaiian community-based organization. The Family Education Program component of the program developed by the provider is recognized by the National Family Literacy Program (NFLP) as the Hawaiian model of that program, and the Contractor is the sole provider of this program in Hawaii. The Tutu and Me component is a unique copy-righted program owned and administered exclusively The Contractor. The Department is interested in piloting and evaluating the effects of this specific program among the homeless in these additional areas, given its success in a variety of other areas among Hawaiians who are not homeless and the initial pilot areas in Wai'anae.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

The Department has been aware of the programs embodied in the Malama Mobile and first observed them over two and one-half years ago. Since that time staff have reviewed other DHS-funded and non-DHS funded programs and found no other programs with this array of culturally-specific services and documented positive impacts.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Lillian B. Koller, Esq., Director of Human Services
Ed Igarashi, Fiscal Management Office Administrator
Sandi Miyoshi, Homeless Programs Section Administrator
