

STATE OF HAWAII
**NOTICE OF AND REQUEST FOR
 RESTRICTIVE PURCHASE OF SERVICE
 PURSUANT TO §103F-403, HRS**

To: Chief Procurement Officer

From: Department of Health, Dental Health Division
Department/Division/Branch or Office

Pursuant to §103F-403, HRS, and Chapter 3-144, HAR, the department head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

1.	Title and description of health and human service(s):	Services needed are general dental services for disabled and medically compromised patients, including same-day oral surgery under general anesthesia when the patient's condition is seriously compromised by medical conditions or by inherent physical, mental, or developmental disabilities. The delivery of these services requires facilities, equipment and staff common to both a surgical theater and a dental operatory.
2.	Provider Name and Address:	The Queen's Medical Center, General Practice Dental Residency Training Program 1301 Punchbowl Street Honolulu, 96813
3.	Total Contract Funds:	\$100,000
	Contract Funds per Year (if applicable):	\$100,000
4.	RH No. of Previous Request for this Service (if applicable)	RH No. 08-03
5.	Term of Contract:	Start: July 01, 2007 End: June 30, 2009
	If the contract term is longer than 1 year, provide justification for the extended term: The program is funded for the entire biennium and without any indication that there are other programs in the state that can provide these services it is logical to have a contract in place for the entire funding cycle. Additional funds have become available to meet increasing needs.	
6.	Describe the circumstances justifying a restrictive purchase: The Queen's Medical Center General Practice Residency Program maintains the only facilities, equipment and staff that provide the needed service in Hawai'i.

PURSUANT TO §103F-403, HRS

6. Describe the circumstances justifying a restrictive purchase:

The Queen's Medical Center General Practice Residency Program maintains the only facilities, equipment and staff that provide the needed service in Hawai'i .

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

There are no other General Dental Practice Residency Program in Hawai'i . In the absence of these services it would be necessary to transfer the patient, if medically feasible, to a mainland facility, which would be enormously expensive, or to deny the patient the services outright.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Dr. Mark H.K. Greer, Chief, Dental Health Division
Dr. Chiyome Leinaala Fukino, Director of Health
