ADMINISTRATIVE
 SERVICES DIVISION
 JUN 19 2008

To: Chief Procurement Officer

From: Department of Human Services
Department, Division, Branch or Office

Pursuant to §103F-403, HRS, and Chapter 3-144, HAR, the department head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

1. Title and description of health and human service(s):
 DHS plans to provide a comprehensive music appreciation/development series of teacher workshops, after-school and in-school enrichment programs and live concerts to share orchestral music with an estimated 7500 children, youth, and adults in Kona and Hilo and Kahului and environs using the expertise of 63 professional musicians and youth music education staff.

The Temporary Assistance for Needy Families (TANF) federal block grant is intended to help families achieve self-sufficiency. The Deficit Reduction Act of 2005 reauthorized the TANF program with a renewed focus on sustaining and keeping families together. Quality social enrichment programs like this positively impact children and reduce teen pregnancy and other social pathologies by building cohesive families and offering inspiring career and after-school options. Services will include:

Kahului, Maui

September, 08 Professional Development for Local Teachers

December, 08- Three Orchestra Ensembles (elementary after-school enrichment and in-school programs)

January, 08 Full Orchestra Tour including:

Two Youth concerts (K-3, 4-6) and Open Rehearsal (7-12)

13 Ensembles (elementary after-school enrichment/in-school)

October, 08 Professional Development for Local Teachers

November, 08- Three Orchestra Ensembles (elementary after-school enrichment and in-school programs)

5. Term of Contract: Start: ~~7/01/08~~ End: 6/30/09

If the contract term is longer than 1 year, provide justification for the extended term:

6. Describe the circumstances justifying a restrictive purchase:

The implementation of this project requires an organization with a full orchestra to perform the breadth and depth of specified tasks. The Honolulu Symphony is the only full-time professional orchestra in the State. The Honolulu Symphony was founded in 1900 to "serve(s) the people of Hawaii and enhance(s) their quality of life...." As Hawaii's only professional full-time orchestra, it plays an essential role in the cultural vitality of the state with its Youth Music Education and Community Engagement programs that reach 125,000 students, residents, and visitors each year on the island of Oahu. As "the only" Orchestra for the State of Hawaii, with 63 musicians, their professional capabilities are required to bring these services to neighbor islands as well as Oahu.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

DHS consulted with personnel at the State Foundation on Culture and the Arts that are highly familiar with performance and humanities organizations in the State, and they confirmed that the Symphony on Maui closed, and the Honolulu Symphony is the only full professional orchestra in the State.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Lillian B. Koller, Esq., Director of Human Services
Ed Igarashi, Fiscal Management Office Administrator
Pankaj Bhanot, Administrator, BESSD/ECCPO
