STATE OF HAWAII
NOTICE OF AND REQUEST FOR
EXEMPTION FROM CHAPTER 103F, HRS

6. Describe how procurement by competitive means is either not practicable or not advantageous to the State:
These contracts will expire on 6/30/09. The contracts (see Attachment 1) will be procured by competitive means, but it is not practical or advantageous to the State to procure these contracts to begin in July 2009. We are requesting an extension of the present contracts to no later than October 2010 to ensure that we incorporate the findings of the Child and Family Services Review (CFSR) scheduled for June 1-5, 2009 and the CWS Program Improvement Plan (PIP). Our requested timeline is based on the following:
1. June 2009 - CFSR held
 2. August 2009 - Final CFSR Report due from Federal Administration for Children and Families (ACF)
 3. September 2009 - Hawaii Program Improvement Plan submitted to ACF
 4. October 2009 - January 2010 RFP's developed to incorporate review findings and requirements into POS contracts.
 5. January 2010 Procurement notice sent, RFI's held
 6. ~~October~~ ^{July} 2010 Service begins.
- We are requesting the extension for these health and human service contracts because, subsequent to the last CFSR in 2004 we found it necessary to make a large number of contract amendments to existing contracts to implement new service components to meet federal required corrective actions as quickly as possible. The short two-year timeframe for completion of our PIP did not allow for an extended procurement timeframe, or we would have jeopardized successful completion of required corrective actions, which, if not completed successfully would have resulted in penalties of over \$2,000,000 or more.
7. Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable:
The providers for the programs were initially selected through a competitive selection process with RFP # HMS 301-17. During this interim period we will be using the same providers that were initially selected as a result of the selective process, conducted in accordance with procurement requirements. There will be no alternate providers or changes in the contracts we presently have in place.

When the results of the Child and Family Services Review are available, Child Welfare Services will make any modifications to the Requests for Proposals that are deemed necessary to achieve compliance with Federal requirements and our Program Improvement Plan, depending on the findings of the review, and procure the amended services through the competitive selection process.
8. Describe the state agency's internal controls and approval requirements for the exempted procurement:
The Department of Human Services, Purchase of Service Unit (POS) has direct responsibility over the contract. The Comprehensive Counseling and Support Services on each island are required to submit quarterly activity and expenditure reports to the POS unit for review.
9. List the state agency personnel, by position title, who will be involved in the approval process and administration of the contract:
Suzanne Hull, Program Specialist
Rex Shilo, Program Specialist
Laura Giddings, Program Specialist
Jacob Heffernan, POS Supervisor
Randy Fonseca, Federal Revenue and Program Support Administrator
Marquis Miyauchi, Support Service Office Administrator
Lillian B. Koller, Director, Department of Human Services
