

STATE OF HAWAII
**NOTICE OF AND REQUEST FOR EXEMPTION
 FROM CHAPTER 103F, HRS**

'11 JUN -9 P3:56

STATE PROCUREMENT OFFICE
 STATE OF HAWAII

To: Chief Procurement Officer

From: **DHS/OYS**

Department/Division/Branch or Office

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

1.	Title and description of health and human service(s):	
	Residential Treatment for a Deaf, Delinquent Youth - Twenty-four hour, long-term, community-based, intensive residential program services for deaf youth that are troubled, abused, neglected, or adjudicated and have been identified as high risk in one or more areas of need and are generally unable to function in a pro-social manner without constant supervision and support, assessed as high flight risk, can benefit from highly structured intensive services. A group home or foster home model provides youth with a safe and family-like community-based setting and services will enable youth to gain the necessary skills to successfully transition into a more permanent living situation.	
2.	Provider Name and Address:	San Diego Youth Services 3255 Wing Street San Diego, California 92110
3.	Total Contract Funds:	\$77,000 (estimate)
	Contract Funds per Year (if applicable):	\$77,000 (estimate)
4.	Reference number of Previous Request for this Service (if applicable):	
5.	Term of Contract:	Start: 6/15/11 End: 5/18/12
6.	Describe how procurement by competitive means is either not practicable or not advantageous to the State:	The treatment services were court-ordered and necessary in order for the youth to receive services administered by staff that caters to deaf youth. There is no facility or provider in the state that can provide this type of continuous service. The attached letter to Judge Ching from David Hipp, Executive Director of OYS explains how we selected the provider. We also attached the brochure of the provider to further illustrate the desired services.
7.	Describe the reason for the selection of the provider including a description of how the procedure ensured the maximum fair and open competition practicable:	The provider was recommended by Dr. Lytle, Gallaudet University's Department of Counseling. Although she did not mention other possible vendors, we felt that procuring with her recommended provider would be in the best interests of the state. Other factors that came into play was the location of the provider and the initial interaction of the youth and the provider's staff by way of video-conferencing.
