RFP Corrections, Revisions, and Comments

- 1.** The RFP Proposal Submission Deadline date has been revised to **April 11, 2016, 4:30 P.M. (HST)**, to allow time for Applicants to revise their proposals, if need be, due to Addendum #4. This revision amends the RFP coversheet, Proposal Submission Information Sheet, and 1.1 and 1.11, Section 1 of this RFP; it will also delay the proposal evaluation and contract award processes.
