General Questions Applicable to all RFPs:

- Q1. How will the DOE select providers? Will all providers who score a minimum of points (i.e. 70) be awarded the contract or will the contracts be awarded to providers who score the top 3 highest scores? *[Question was mistakenly listed under RFP F06-069, 071 Intensive Learning Centers in Addendum A.]*
- A1. Contracts may be awarded to a single applicant or multiple applicants. Please refer to Section 2 (Single or Multiple Contracts to be Awarded) for the criteria in which multiple contracts may be awarded. Applicants who meet all the requirements based on the rating criteria in Section 4 (Proposal Evaluation) and score a minimum of 70 points will be qualified to enter into a contract with the DOE. Services will be procured from the contracted agencies on an as needed basis, and any referrals for services will be determined by the applicable SSC or designated representative.
