Name of Vendor:	PVT Land Co., Ltd.	Cost: \$100,000 (Estimate)
Address:	87-2020 Farrington Hwy, Waianae, HI 96792-8851

<p>The goods, services, or construction has the following unique features, characteristics, or capabilities:</p> <p>PVT Land Co. Ltd. is the sole licensed landfill that will accept demolition and construction waste materials on the Island of Oahu.</p>

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

In the course of performing its daily operations, the Highways Division Oahu District will accumulate construction debris and materials. By law we are not allowed to stockpile this materials on our property; it has to be taken to a landfill that has the required permits to accept this type of materials .

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

PVT Land Co. Ltd. is the only known landfill on the Island of Oahu that has the required permits to accept this type of materials.

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.
