# STATE OF HAWAII REQUEST FOR SOLE SOURCE

STATE PROCUREMENT OFFICE  
STATE OF HAWAII

TO: Chief Procurement Officer

FROM: Department of Public Safety/Sheriff Division - Kauai  
(Department/Division/Agency)

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

<p>Description of goods, services, or construction:</p> <p>Programming and delivery of eleven (11) Motorola Astro XTS 2500 Digital Portable Radios Model II. The proposed radios shall operate on the existing Kauai County Smartnet Trunking Network and Lihue Airports Digital (APCO 25 capable) 800 MHz Smartnet Trunking Radio Communications System.</p>
---

<p>Name of Vendor: Pacific Wireless Communications, LLC. Address: PWC Building, 710 Kakoi Street Hon., HI 96819</p>	<p>Cost: \$42,141.16</p>
---	--------------------------

<p>Term of Contract: From: To:</p>	<p>Prior Sole Source Reference No.: (SLEC/DPS Sheriffs Div. 04-21-R)</p>
------------------------------------	--

<p>The goods, services, or construction has the following unique features, characteristics, or capabilities: Pacific Wireless Communications is the only Authorized provider in the State of Hawaii of the Motorola Digital (APCO 25 capable) 800 MHz SMARTNET II Trunking Radio Communications System equipment. The XTS 2500 Digital (APCO 25 capable) 800 MHz SMARTNET Trunking Radio Communications Equipment is compatible with the existing DOT Airports Division Honolulu International Airports (HIA), Kalaeloa Airports 800 MHz Motorola SMARTNET II Trunking Radio Communications Systems, Lihue Airport and the Kahului Airports Digital (APCO 25 capable) 800 MHz Motorola SMARTNET II Trunking Radio Communications Systems. Subscriber units (Mobiles and portables) from the Kauai County and the Sheriff's radio communication systems can be used on the Lihue Airport system and the reverse is true. The Digital (APCO 25 capable) 800 MHz SMARTNET XTS 2500 Trunking Radio is also compatible with DOT Highways Oahu Districts 800 MHz Island Wide Radio Communication System, DOT Harbors Oahu District 800 MHz Communications System, DOT Highways Maui District 800 MHz Communications System, DOT Airports Kauai District 800 MHz Conventional Communications System and DOT Highways Kauai District 800 MHz SMARTNET II Communications System. The proposed XTS 2500 can only work with a Motorola Digital (APCO 25 capable) 800/700 MHz SMARTNET II Trunking Radio Communications Controller. Pacific Wireless Communications is the only Authorized provider in the State of Hawaii of the XTS 2500 P25 radio and presently has a C-15 Hawaii Electronic System Contractors License needed to install this type of system.</p>
---

REQUEST FOR SOLE SOURCE (Cont.)

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: The ASTRO XTS 2500 Digital (APCO 25 capable) 800 MHz Portable radios allows Kauai County, Kauai Sheriff's Division and Lihue Airports public safety personnel to communicate with each other on a day to day basis for operations and maintenance purposes. During emergencies, the Digital (APCO 25 capable) 800 MHz Motorola SMARTNET Trunking Radio Communications System allows for maximum use of radio communications in the coordination of men and material. In the event of a Statewide emergency, the listed state agencies will be able to communicate with each other and future 700 MHz P25 Astro Trunking Networks. The XTS 2500 Portable Radio allows the necessary interoperability with the various public safety agencies on Kauai using the Lihue Airport and Kauai County Radio Communications System.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because: Pacific Wireless Communications, LLC is the only licensed contractor in Hawaii that can provide services related to the Kauai County and Lihue Airport 800 MHz SMARTNET Trunking Radio Communications System which has unique characteristics and/or capabilities (as explained above) which are essential to meet the needs of the State of Hawaii DOT and Airports Division and the Kauai County.

Direct questions to: Marc Yamamoto *MSM 3/9/05* Phone: 587-1215

*I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.*

*Ronald J. Bunn* 3-16-05  
 Department Head or Designee Date

Title (If other than Department Head)

Chief Procurement Officer's comments:

As of this date, Motorola is not an authorized Hawaii vendor on the Western States Contracting Alliance (WSCA) wireless communication contract. At the time of purchase, Motorola may be an approved vendor and the PSD may utilize the WSCA vendor list to complete the purchase. If Motorola is not on the WSCA vendor list at the time of purchase, the PSD may purchase them from Pacific Wireless Communications, LLC, as the sole authorized provider of Motorola portable radios for the State of Hawaii.

Please ensure adherence to applicable administrative and statutory requirements.

Expenditure may be processed through a purchase order: Yes  No . If no, a contract must be executed and funds certified.

APPROVED  DISAPPROVED
