

STATE OF HAWAII REQUEST FOR SOLE SOURCE

'05 MAY 27 AM 11:32

TO: Chief Procurement Officer

STATE PROCUREMENT OFFICE
1015 KALANOAUO AVE
HONOLULU, HI 96813

FROM: Transportation/Airports/Oahu/Maintenance/Facilities
(Department/Division/Agency)

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:
 The attached is a list of replacement parts utilized by Honolulu International Airport for our Aircraft Ground Power System. Besides High Voltage Multi-conductor cables and electronically controlled Gate Boxes, The GPS employs three KVA solid state central distribution inverters. The GPS (400Hz) supplies power to aircraft during ground operations. Other electronic equipment include computerized lockers, Digital Loop Detection systems for motorized security gates, and navigational aids to support Crash Rescue boat for down aircraft.

Also attached is a letter of exclusive distributorship from J&B Aviation Services, Inc.

Name of Vendor: CESP, Inc. Address: 884 Hoomoano Street Pearl City, HI 96782	Cost: \$70,000.00
--	-------------------

Term of Contract: From: Date of Approval July 1, 2005	To: 30-June-06	Prior Sole Source Reference No.: 04-71-M
---	----------------	--

The goods, services, or construction has the following unique features, characteristics, or capabilities:

The replacement parts noted are used on highly Specialized electronic and electrical/mechanical equipment, used only in airport environments especially when relating to Aircraft Ground Power System.

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

Due to the higher fuel cost, parts specified for our GPS is necessary for the maintenance and repair of sophisticated electronic and electromechanical systems for a high efficiency operation of a modern, high traffic/density Airport such as Honolulu International Airport in manner satisfactory to the Federal Aviation Administration (FAA) and as prescribed Federal Aviation Regulation.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

Sourcing parts for our systems consumes a lot of time and effort mainly because of equipment age and parts availability of special electronic parts. Other sources don't want to misuse their time inquiring across the nation and on occasions searching for foreign suppliers. This vendor has extensive worldwide associates & exhausts all resources possible to expedite and accomplish our operational requirements.
