

STATE OF HAWAII REQUEST FOR SOLE SOURCE

TO: Chief Procurement Officer
 FROM: Department of Budget & Finance / Hawaii Employer-Union Health Benefits Trust Fund (Trust Fund)
 (Department/Division/Agency)

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:	
Micro Focus International Ltd. Net Express COBOL for Windows - 1 Named User License	
Micro Focus International Ltd. Server Express COBOL for UNIX - 1 Named User License	

Name of Vendor:	Oracle Corporation	Cost:
Address:	1910 Oracle Way	\$34,160.00
	Reston, VA 20190	

Term of Contract:	From:	To:	Prior Sole Source Reference No.:
	N/A		N/A

The goods, services, or construction has the following unique features, characteristics, or capabilities:
<ul style="list-style-type: none"> - Named User License sold as unlimited runtimes - Only for PeopleSoft applications

REQUEST FOR SOLE SOURCE (Cont.)

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: Micro Focus COBOL is product required to compile COBOL programs run on the AIX 5L system, Oracle and PeopleSoft. Micro Focus Server Express Named User License and Micro Focus Net Express Named User License are certified by Oracle for use with Oracle's database and certified for use with the PeopleSoft applications. The Trust Fund needs to purchase the Named User Licenses to migrate the PeopleSoft/HFIMS to the new Regatta system. Also, it is required as tools for on-going support to the Trust Fund for the PeopleSoft/HFIMS. The Micro Focus COBOL Named User Licenses are unique for use with PeopleSoft applications and can only be purchased from Oracle. (see attached documents for additional supporting information)

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

Micro Focus - a request for quotation was made to Micro Focus. Micro Focus recommended contacting PeopleSoft (Oracle) because Micro Focus does not sell the unlimited runtimes licenses required for use with PeopleSoft applications. Micro Focus confirmed that Oracle is the only vendor that has an agreement to sell the unlimited runtimes licenses for use with PeopleSoft applications.

ASAP Software - a request for quotation was made to ASAP but on consultation with Micro Focus, ASAP recommended that the State consult with Oracle for the Micro Focus COBOL Named User Licenses.

Direct questions to: Kathleen Shiroma Phone: 587-5435

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.
