

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:
 The Scott SCBA equipment/accessories are items that airport fire fighters use for personal protection equipment (PPE). These PPE items are required but the Hawaii Fire Fighters Association Bargaining Agreement, Section 43: Safety Equipment and Section 46. Tools. The Hawaii Department of Transportation, Airports Division Respiratory Protection Program, National Fire Protection Association 1981 and Occupational Safety Health Association guidelines underscore these requirements.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:
 The original equipment was purchased through the Formal Bid Process. The State of Hawaii uses these same Scott products. Fisher Scientific is the sole source distributor in the State of Hawaii.

Direct questions to: Martinez Jacobs, Airports Fire Chief Phone: 838-8702

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.
