

STATE OF HAWAII REQUEST FOR SOLE SOURCE

'06 JUN 14 A10:28

TO: Chief Procurement Officer

FROM: Transportation, Highways Division, Hawaii District
(Department/Division/Agency)

STATE PROCUREMENT OFFICE
STATE OF HAWAII

Pursuant to Sec. 103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:
Relocate Highways Division, Hawaii District's existing radio equipment at Iolehaehae, Kahua Ranch, Kulani, Naalehu Pasture and Ohia Mill repeater sites to the new County of Hawaii facilities. Includes: 1) labor to remove old antenna mount, antenna, coaxial cable, connectors, and grounding from old tower, 2) labor to install new tower mount, antenna, heliack cable, ground kits, 3) labor to remove repeater from old site and relocate to new site, test and terminate circuits, and 4) parts and accessories (new antenna, antenna mount, heliack cables and connectors, lightning arrestor, hanger kits, and grounding kits). DOT requests permission to expend funds through a purchase order since the time frame for the physical work is very short, and a one time payment will be made at the completion of all work.

Name of Vendor: Pacific Wireless Communications, LLC Address: 710, Kakoi Street, Honolulu, HI 96819	Cost: \$45,000.00
------------------------------------------------------------------------------------------------------------	-------------------

Terms of Contract: From: CPO approval To: 9/30/2006	Prior Sole Source Reference No.:
-----------------------------------------------------	----------------------------------

The goods, services or construction has the following unique features, characteristics, or capabilities:
Currently Highways Division, Hawaii District has existing Motorola radio equipment mounted on the County of Hawaii radio towers. The County radio towers are in poor condition, and therefore the County will be abandoning the old towers and will be relocating their radio equipment to the new towers. The County has contracted with Pacific Wireless Communications (PWC) to do the replacement. PWC would also be responsible for the relocation of the Highways Division, Hawaii District's Motorola radio equipment to the new County tower.

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:
Highways Division, Hawaii District has a Motorola two-way radio system, and Pacific Wireless Communications, LLC is the only authorized provider for sales and service of Motorola products in the State of Hawaii.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:
Pacific Wireless Communications, LLC is the only authorized sales and service company for Motorola products.

Direct questions to: Stanley Tamura Phone: (808) 933-8866

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.

 6-8-06
Department Head or Designee Date

Deputy Director
Title (if other than Department Head)

Chief Procurement Officer's Comments:

This approval is based on the DOT's representation that the repeater sites contain Motorola radio equipment and that Motorola has appointed this vendor as the sole authorized provider of service and repairs in Hawaii.

Please ensure adherence to applicable administrative and statutory requirements.

Expenditure may be processed through a purchase order: Yes: No: . If no, a contract must be executed and funds certified.

APPROVED DISAPPROVED

STATE OF HAWAII
NOTICE OF SOLE SOURCE

The Chief Procurement Officer is in the process of reviewing the request from the Department of Transportation
Highways Division, Hawaii Dist. for the sole source purchase of the following goods, services, or construction:

Relocate Highways Division, Hawaii District's existing radio equipment at Iolehaehae, Kahua Ranch, Kulani, Naalehu Pasture and Ohia Mill repeater sites to the new County of Hawaii facilities. Includes: 1) labor to remove old antenna mount, antenna, coaxial cable, connectors, and grounding from old tower, 2) labor to install new tower mount, antenna, heliix cable, ground kits, 3) labor to remove repeater from old site and relocate to new site, test and terminate circuits, and 4) parts and accessories (new antenna, antenna mount, heliix cables and connectors, lightning arrestor, hanger kits, and grounding kits). DOT requests permission to expend funds through a purchase order since the time frame for the physical work is very short, and a one time payment will be made at the completion of all work.
