

11. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because:

In fiscal year 2004, the Division obtained three quotations (as required for small purchases under the procurement code) for a high density mobile filing system. The quotation received from The Systemcenter, Inc. for an 8-tier system was selected and the high density filing system was subsequently installed. The Division is proposing to purchase a total of 476 dividers in order to keep the file folders upright and in place. Another 100 dividers are being provided by The Systemcenter free of charge in consideration for the inconvenience caused due to the incorrect backs and center stops having been installed initially. Alternate sources were not considered inasmuch as The Systemcenter is the exclusive sales representatives in Hawaii of the Spacesaver Corporation.
