

# STATE OF HAWAII REQUEST FOR SOLE SOURCE

'03 OCT 30 P12:19

TO: Chief Procurement Officer

STATE PROCUREMENT OFFICE  
STATE OF HAWAII

FROM: Lester M. Nakamura, Administrator  
(Department/Division/Agency)

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:

Extended factory warranty repair "Annual Repair Service Program (ARSP)," provided by original equipment manufacturer for Harris Farinon digital microwave radio system. Equipment includes all major components and subsystems of 19 each DVM6-45 protected terminals, 4 each DVT-44 protected terminals, 4 each DM18e-45 protected terminals (Lihue and Hilo sites only), and 12 each DVA shelves. This equipment comprises the statewide HAWAIIAN Wide Area Integrated Information Access Network (HAWAIIAN) digital microwave system. The ARSP is a module swap and/or replacement program that permits the State or its microwave maintenance vendor to exchange defective or failed units for factory certified new and/or repaired as new units.

Name of Vendor: Harris Corporation, Microwave Communications Div.	Cost: \$33,145.00
Address: 350 Twin Dolphin Dr. Redwood Shores, CA 94065-1421	

Term of Contract: From: 11/24/03 To: 11/23/04	Prior Sole Source Reference 03-27-J
---	--

The goods, services, or construction has the following unique features, characteristics, or capabilities:

Repair and/or replacement services for the custom and/or specialized components, assemblies, cards, and sub-systems that make up the Harris digital microwave system are only available from the original equipment manufacturer.

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

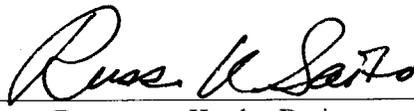

The ICSD HAWAIIAN microwave system, and the Harris digital radio equipment that comprise its statewide communications links are a critical component of the State's communications system. The Harris equipment carries digital data, telephone, and video conferencing. Timely, efficient, and proper repair and replacement of failed units is essential to ensure operation of the HAWAIIAN system.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

The required repair and/or replacement services can only be provided by Harris Corporation, Microwave Communications Div.

Direct questions to: Gwen Nakahara/Robert Hlivak  Phone: (808) 586-1930 ext.013

*I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.*
