STATE PROCUREMENT OFFICE NOTICE & REQUEST FOR SOLE SOURCE

1. TO: Chief Procurement Officer

2. FROM: DAGS/ICSD/PSB

Department/Division/Agency

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction:
Maintenance services for the Automated Cartridge Library System (ACLS).

4. Vendor Name: Commercial Data Systems, Inc.

Address: 50 S. Beretania St., Ste. C208-B
Honolulu, HI 96813

5. Price:

\$199,891.30

6. Term of Contract:
(mm/dd/yyyy) From: 06/30/2007

To: 06/29/2008

7. Prior Sole Source Ref No.

8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities:
The StorageTek ACLS must be maintained by trained professionals who are capable of providing timely and efficient maintenance to ensure continuous operation of the equipment.

9. Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work:

The ACLS is a computer tape management system and a critical component of the ICSD computer systems. The computer systems need the ACLS for data tape input and storage, thus, failure of the ACLS will shutdown computer processing. This will result in ICSD not being able to meet job processing deadlines for user agencies.

11. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because:

StorageTek was the manufacturer of the ACLS. In December, 2006, StorageTek was merged into Sun Microsystems, Inc. At that time, StorageTek became nonexistent and Sun Microsystems became the only authorized vendor with certified technicians to perform the required maintenance and repairs. As per attached letter, Sun Microsystems has chosen Commercial Data Systems as a Sun Microsystems Partner and as the only authorized, full government systems reseller vendor in Hawaii for Sun Microsystems, Inc.
