**STATE PROCUREMENT OFFICE  
NOTICE & REQUEST FOR SOLE SOURCE**

1. TO: Chief Procurement Officer
2. FROM: Transportation, Highways Division, Hawaii District  
Department/Division/Agency

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction:  
Relocate Hawaii District's existing radio equipment at Lolohaehae, Kahua Ranch, Kulani, Naalehu Pasture, and Ohia Mill repeater sites to the new County of Hawaii facilities. Includes: 1) labor to remove old antenna mount, antenna, coaxial cable, connectors, and grounding from old tower; 2) labor to install new tower mount, antenna, heliax cable, grounding; 3) labor to remove repeater from old site and relocate to new site, test, and terminate circuits, and 4) parts and accessories (new antenna, antenna mount, heliax cables, connectors, lightning arrestor, hanger kits, and grounding kits). DOT requests permission to expend funds through a purchase order since the time frame for the physical work is very short, and a one time payment will be made at the completion of all work.

4. Vendor Name: Pacific Wireless Communications, LLC  
Address: 710 Kakoi Street, Honolulu HI 96819

5. Price:  
\$45,000.

6. Term of Contract:  
(mm/dd/yyyy) From: CPO approval To: 9/30/2007

7. Prior Sole Source Ref No.  
06-065-C

8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities: Currently the Highways Division, Hawaii District has existing Motorola radio equipment mounted on the County of Hawaii radio towers. The County radio towers are in poor condition, and therefore the County will be abandoning the old towers and will be relocating their radio equipment to the new towers. The County has contracted with Pacific Wireless Communications (PWC) to do the replacement. PWC would also be responsible for the relocation of the Highways Division, Hawaii district's Motorola radio equipment to the new County towers.

9. Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: The Highways Division, Hawaii District has a Motorola two-way radio system, and PWC LLC is the only authorized provider for sales and service of Motorola products in the State of Hawaii.  
PLEASE NOTE: This work has been delayed from last year due to: 1) PWC difficulty in obtaining construction right of entry to do work on private property; 2) PWC experienced delays in getting approval for this work from the FCC.

11. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because: Pacific Wireless Communications, LLC is the only authorized sales and service company for Motorola products in the state.
