

STATE OF HAWAII
REQUEST FOR SOLE SOURCE

'04 JAN -9 P12:27

TO: Chief Procurement Officer

STATE PROCUREMENT OFFICE
STATE OF HAWAII

FROM: Transportation, Highways Division, Oahu District Office
(Department/Division/Agency)

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

Description of goods, services, or construction:

Wespro Asphalt; Specialty asphalt patching materials.

| Address: | 94-200 Pupuleole St, Unit #1, Waipahu, Hawaii 96797 | Unit Cost: \$600.00 per ton |
| | | Total Cost: 200,000.00 (Estimate) |

| Term of Contract: | From: <i>Upon Approval</i> Dec 25, 2003 January 1, 2004 | To: Nov 30, 2004 Dec. 31, 2004 | Prior Sole Source Reference No.: N/A |
|-------------------|--|--|---|

The goods, services, or construction has the following unique features, characteristics, or capabilities:

Wespro is the only product of its kind. In terms of a lasting patch it is equivalent to hot mix, yet it can be stored in an open air environment for up to 30-days without hardening; and it will not bleed or leach into the surrounding ground. Wespro's durability far exceeds traditional cold-mix which lasts only a few days or until the first rain.

REQUEST FOR SOLE SOURCE (Cont.)

How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: .

Many of our maintenance projects need to be done after hours or on the weekends and the hot-mix batch plant is closed at this time. Wespro gives us this ability to work after-hours because we can pickup the amount of asphalt we need prior to start date and store it in our yard.

The following other possible sources for the goods, services, or construction were investigated but do not meet our needs because:

There were no other known sources for this product.

I certify that the information provided above is to the best of my knowledge, true, correct and that the goods, services, or construction are available through only one source.
