STATE PROCUREMENT OFFICE NOTICE & REQUEST FOR SOLE SOURCE

1. TO: Chief Procurement Officer
M. Stanton Michels, M.D.
2. FROM: DOH/CAMHD
Department/Division/Agency

Pursuant to §103D-306, HRS, and Subchapter 9, Chapter 3-122, HAR, the Department requests sole source approval to purchase the following:

3. Description of goods, services, or construction:
InterQual Option II Behavioral Health Criteria & Software a systematic software used to monitor utilization of acute psychiatric services and assure cost-therapeutic benefit efficiency to Med-QUEST youth are being adequately served. This software can monitor CAMHD's most expensive levels of care in a systematic and efficient way to assure CAMHD resources are neither underutilized nor over utilized. This software is necessary to contain costs of expensive high-end services.

4. Vendor Name: McKesson Health Solutions
Address: 275 Grove Street, Suite 1-110
Newton, MA 02466

5. Price:
\$33,000.00

6. Term of Contract:
(mm/dd/yyyy) From: January 1, 2009 To: July 31, 2009

8. Feature: The good, service, or construction has the following unique features, characteristics, or capabilities: The range of level-of-care alternatives allows for movement up and down the continuum of care, while content can be tailored to the needs of adolescents and children. The depth of the criteria allows reviewers to consider the severity of illness as well as other episode-specific variables and match the level of care to the patient's current condition. Behavioral Health Criteria are available to support level of care determination for the following populations: Adolescent Psychiatry, Child Psychiatry, Chemical Dependency and Dual Diagnosis, Adolescent, Residential Treatment and Community Based Treatment, Adolescent Psych and Substance Use.

9. Essential features. How the unique features, characteristics, or capabilities are essential for the agency to accomplish its work: The InterQual Behavioral Health Criteria set is the most comprehensive available. The range of level-of-care alternatives allows for movement up and down the continuum of care, while content is tailored to the needs of adolescents and children. The depth of the criteria allows reviewers to consider the severity of illness as well as other episode-specific variables and match the level of care to the patient's current condition. Behavioral Health Criteria are available to support level of care determination for the following populations:

- Adolescent Psychiatry
- Child Psychiatry
- Chemical Dependency and Dual Diagnosis
- Residential Treatment and Community Based Treatment
- Adolescent Psych and Substance Use

The InterQual Behavioral Health Criteria set is proven. Behavioral Health Criteria sets have been available since 2000. Currently, more than 300 customers, and 1400 hospitals, are using Behavioral Health Criteria. It can be adapted more broadly statewide if needed for other populations.

11. Alternate source. The following other possible sources for the good, service, or construction were investigated but do not meet our needs because: McKesson is the sole provider of the InterQual Behavioral Health Software.
