This request is disapproved as it lacks justification as a sole source as there are other vendors that are able to provide the parts. The department has not established that the parts are only available from one supplier or source in accordance with HAR section 3-122-81(c). The department is advised to procure using the appropriate method of procurement (i.e. small purchases in accordance with Procurement Circular No. 2009-15), specifying the requirements.
