TO: Chief Procurement Officer
FROM: Transportation, Highways Division, Hawaii District
Name of Requesting Department

Pursuant to HRS §103D-306 and HAR chapter 3-122, Subchapter 9, the Department requests sole source approval to purchase the following:

1. Describe the goods, services, or construction to be procured.
Furnish and install new radio repeater at Pohoiki Radion Site at the Puna Geothermal Facility, District of Puna, Island of Hawaii for HWY-H two way radio system. Our Pohoiki repeater is inoperable. HWY-H's radio system is part of the HPD and HFD network. It is necessary for us to keep this unit operational.

Table with 2 columns: Vendor/Contractor/Service Provider Name, Amount of Request, Term of contract, Prior SPO-001, Sole Source (SS) No.

6. Describe in detail the following:
a. The unique features, characteristics, or capabilities of the goods, service or construction. See #3. It is necessary for our continuing operations to have a functional two-radio system.
b. How the unique features, characteristics or capabilities of the goods, service or construction are essential for the department to accomplish its work.
The Hawaii District has a Motorola two way radio system. It is imperative that this system is operational since it is a part of a network with the Hawaii Police and Fire Department. PWC, LLC is the only authorized provider for sales and service of Motorola products in the State of Hawaii. Hawaii County Police and Fire Department use Motorola equipment. It is necessary for our equipment to be compatible with the County equipment.

7. Describe the efforts and results in determining that this is the only vendor/contractor/service provider who can provide the goods, services or construction.
 We have looked at other vendors for other sources of similar goods, services, or construction but those do not meet or needs because PWC, LLC is the only authorized sales and service company for Motorola products in Hawaii.

8. Alternate source. Describe the other possible sources for the goods, services, or construction that were investigated but did not meet the department's needs.
 Pacific Wireles Communications is the only authorized dealer and service provider for Motorola two-way radio equipment in this state.

9. Identify the primary individual(s) who is knowledgeable about this request, who will conduct and manage this process, and has 1) appropriate written delegated procurement authority; 2) completed mandatory training; and 3) who SPO may contact for follow up inquiry, if any.
