NOTICE & REQUEST FOR SOLE SOURCE

13 NOV 19 10:52

STATE PROCUREMENT OFFICE
STATE OF HAWAII

TO: Chief Procurement Officer
FROM: Natural Energy Laboratory of Hawaii Authority (NELHA)
Name of Requesting Department

Pursuant to HRS §103D-306 and HAR chapter 3-122, Subchapter 9, the Department requests sole source approval to purchase the following:

1. Describe the goods, services, or construction to be procured.
ITT Flygt Corporation submersible pump repair kits for 35 hp. and 77 hp. pumps over the next year . These repair kits include all of the components necessary to service and overhaul a submersible pump and electric motor. The present price range for these kits is \$6,000 - \$8,000. To operate a fleet of nine pumps we are requesting approval to purchase 3 kits.

Table with 2 columns and 2 rows. Row 1: 2. Vendor/Contractor/Service Provider Name: Hawaii Engineering Services, Inc. | 3. Amount of Request: approximately \$20,000. Row 2: 4. Term of contract (shall not exceed 12 months), if applicable: From: 12/1/2013 -> 2/1/14 To: 11/30/2014 1/31/15 | 5. Prior SPO-001, Sole Source (SS) No.: 13-032K

6. Describe in detail the following:
a. The unique features, characteristics, or capabilities of the goods, service or construction.
These repair kits are for very specific pumps for which no other manufacture makes parts for and no vendor other than Hawaii Engineering Services, Inc. in Hawaii sells.
b. How the unique features, characteristics or capabilities of the goods, service or construction are essential for the department
NELHA provides both warm and cold seawater to most of its 41 tenants. The repair kits are needed to service and overhaul pumps from two of NELHA's main pump stations. Both of these pump stations are designed specifically to accommodate Flygt pumps. The operation and maintenance of these pumps is an essential service that NELHA must provide to its tenants.

7. Describe the efforts and results in determining that this is the only vendor/contractor/service provider who can provide the goods, services or construction.

Mainland vendors have been contacted and will not sell these repair kits to us since Hawaii Engineering Services is the sole source provider in Hawaii. Please see attached letter from Flygt Products (Xylem) to Hawaii Engineering Services, Inc.

8. Alternate source. Describe the other possible sources for the goods, services, or construction that were investigated but did not meet the department's needs.

Since these repair kits are specific to the exact pump model that ITT Flygt Corporation manufactures and sells, there are no other possible sources to obtain the repair kits from. SPO-001 approval was last obtained for sole source purchase from this vendor on 01/28/13 (FY13).

9. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required.)

*Point of contact (Place asterisk after name of person to contact for additional information).

Chief Procurement Officer (CPO) Comments:

Approval is granted for the period 2/1/14 to 1/31/15 and is based on the department's representation that Hawaii Engineering Services, Inc. is the sole and exclusive provider of services and repair parts for the Flygt submersible pump repair kits. This approval is for the solicitation process only, HRS section 103D-310(c) and HAR section 3-122-112, shall apply (i.e. vendor is required to be compliant on the Hawaii Compliance Express) and award is required to be posted on the Awards Reporting System. Copies of the HCE certificate and awards posting are required to be documented in the procurement/contract file. If there are any questions, please contact Bonnie Kahakui at 587-4702, or bonnie.a.kahakui@hawaii.gov.
