| <p>Project: Hekeko Family Strengthening Program. Services will be provided to the residents of the Ohana Ola O kaumana Transitional Housing Complex. These families are predominantly Native Hawaiian.</p> <p>The Hekeko Family Strengthening Program is the exclusive program of the contractor. The program includes two unique and proprietary intervention components, the Legacy Parenting Skillbuilder and the Meth Smart Curriculum, for which no other agency providing services directly in transitional communities is currently trained and certified to provide. The Legacy Parenting Skillbuilder will be the curriculum for parenting training and the Meth Smart Curriculum will be used for substance abuse prevention with both parents and adolescent children. No other family strengthening education program in the State outreaching to transitional housing communities utilizes this specific Hekeko Model or have staff certified in either the Legacy or Meth Smart curriculum.</p> <p>The Hekeko program was tailored specifically for this population, and it was successfully pretested by the provider on eight of the 48 families housed in the Ohana Ola Kaumana Transitional Housing Project. This procurement will provide the program to the remaining 40 families at the Ohana Ola O Kaumana Transitional Housing Project, and help determine its viability for other transitional housing populations on the Wai'anae Coast.</p> | |
