

STATE OF HAWAII
NOTICE OF AND REQUEST FOR
RESTRICTIVE PURCHASE OF SERVICE
PURSUANT TO §103F-403, HRS

PSD# 2009-246

11 FEB '09 PM 3:35 SPO-H

To: Chief Procurement Officer

From: The Department of Public Safety/Health Care Division
Department/Division/Branch or Office

Pursuant to §103F-403, HRS, and Chapter 3-144, HAR, the department head has made a determination that an adequate basis for a restrictive purchase of services exists and requests approval to make a restrictive purchase for the following:

1. Title and description of health and human service(s): Specialized corrections medical services, emergency room, and hospital services for the State of Hawaii inmates housed in Eloy, Arizona.			
2. Provider Name and Address:		Carondelet Health Network DBA Carondelet St. Mary's Hospital 1601 W. St. Mary's Road Tuscon, AZ 85745	
3. Total Contract Funds:		\$5,000,000	
Contract Funds per Year (if applicable):		\$2,500,000	
4. RH No. of Previous Request for this Service (if applicable)			
5. Term of Contract:		Start: March 1, 2009	End: February 28, 2011
Subject to the availability of funds beyond June 30, 2009			
If the contract term is longer than 1 year, provide justification for the extended term: As the only local provider of specialize correctional medical services, which include secured hospital and exam rooms, providers familiar with corrections health care, and intake and service entrances, a contract longer than two years would provide for continuity of care. Having another local facility provided similar correctional amenities is very unlikely.

6. Describe the circumstances justifying a restrictive purchase:

The Carondelet Health Network is the closest local provider that has specialized correctional medical and hospital services and the only emergency air transportation services available. The Carondelet provider network is extensive and provides specialized medical services such as a Cardio Vascular physician group, that is not available at other facilities in the geographic area. The State of Hawaii will be able to take advantage of these specialized services, that are closer and more cost effective.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

Prior to 2006, the State contracted with both Carondelet Health Network in Tuscon and the Maricopa Medical Center in Phoenix, the only two facilities with correctional capabilities. As the State of Hawaii inmates were once housed in Florence, AZ., the distances were comparable.

As of summer 2006, all State of Hawaii inmates were housed in Eloy, AZ., making the Carondelet Health Network Facilities closer in proximity than Maricopa in Phoenix. As most of the services are emergent in nature, the closer proximity of Carondelet would increase the chances of a favorable medical outcome. The closer facility will also decrease travel time for the security escort staff, thus decreasing the security costs.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Wesley Mun, Corrections Health Care Administrator
Dr. Marc Rosen, PSD Medical Director
Shari Kimoto, FDC and Mainland Branch Administrator

9. Direct questions to (name & position): Wesley Mun, Corrections Health Care Administrator
