STATE OF HAWAII

NOTICE OF AND REQUEST FOR EXEMPTION
FROM CHAPTER 103F, HRS

STATE PROCUREMENT OFFICE
STATE OF HAWAII

To: Chief Procurement Officer

From: Department of Human Services

Department/Division/Branch or Office

Pursuant to § 103F-101(a)(4), HRS, and Chapter 3-141, HAR, the Department requests a procurement exemption to purchase the following:

1. Title and description of health and human service(s):	The Department of Human Services (DHS) seeks to provide services to Federal and State-Funded TANF eligible clients in Honolulu in order to assist them in obtaining paid employment. Services to be provided may include, but are not limited to, screening, intake and orientation, job/work activity readiness, job/work activity coaching, job/work activity placement, job/work activity retention, ongoing case management, and support services delivery such as child care, transportation and work-related expenses, to assist TANF eligible clients with finding and retaining employment. The services are to be provided through the First-To-Work Upfront Universal Engagement (UFUE) Program.
2. Provider Name and Address:	Goodwill Industries of Hawaii, Inc. 2610 Kilihau Street Honolulu, Hawaii 96819
3. Total Contract Funds:	\$279,000
Contract Funds per Year (if applicable):	
4. Reference number of Previous Request for this Service (if applicable):	09-07
5. Term of Contract:	Start: 7/1/09 End: 12/31/09
6. Describe how procurement by competitive means is either not practicable or not advantageous to the State:	<p>The Department had issued a competitive RFP announcement, HMS 903-09-03-S, on 01/29/09 to procure the above services, with the intent to award contracts by 04/03/09, and to have contracts executed by 07/01/09. The Department had extended the current provider of the service, Goodwill Industries of Hawaii, Inc. as allowed under PEH 09-07. The extension period is for 10/01/08 through 06/30/09.</p> <p>The Department received written concerns from interested bidders regarding the geographic assignments of service, the payment structure, and the overall intent of the service as detailed in the RFP. The Department canceled RFP HMS-903-09-03-S on 02/19/09 with the intent to post a new competitive RFP announcement to address these items.</p> <p>The American Recovery and Reinvestment Act of 2009 proposed economic relief to the states through certain TANF expenditures, specifically the amount a state expends on subsidized employment for TANF recipients. It is not known at this time, the Department's level of expenditures that may be required to ensure eligibility for this relief funding until the final Act becomes law, which is expected in the very near future. The overall intent of the service under the new competitive RFP will incorporate subsidized employment placement with the above services to streamline services provided to TANF recipients. The streamlined services may ensure the State's eligibility for the additional TANF funds.</p> <p>The Department is pursuing this exemption request to properly address concerns raised regarding the initial RFP HMS-903-09-03-S, to ensure that the State continues to provide uninterrupted services to TANF recipients, and to allow for reasonable time for any new vendor to set-up operations.</p>
