PURSUANT TO §103F-403, HRS

6. Describe the circumstances justifying a restrictive purchase:

The Department is seeking established services for our clients that are able to provide for, and support, the Temporary Assistance for Needy Families (TANF) purpose 2 which is to end the dependence of needy parents on government benefits through the promotion of job preparation, work and marriage. Through the Family & Individual Self-Sufficiency Program (FISSP) administered by HACBED, TANF families will be provided services that compliment their current employment and supplements their wage earnings so that they may end their dependency on government benefits.

By utilizing a statewide network of non-profit agencies and volunteers, the FISSP has been providing free tax assistance services and linkages to financial literacy efforts at no cost to the general public who qualify for the services since 2005. FISSP's tax assistance sites statewide assists families with tax preparation to claim the EITC, giving TANF eligible families additional funds, thus increasing their assets and helping them with finding jobs and preparing for employment.

The FISSP was originally established under Aloha United Way in 2005. The program and staff were moved to HACBED on July 1, 2009 in order to better link free tax assistance to asset building strategies.

7. Describe the efforts and results in determining that this is the sole provider who can render services. Include approximate dates:

The FISSP has been providing volunteer tax preparation to low-income taxpayers since 2005 and has developed a statewide network of tax assistance sites. Qualification is based on income eligibility with low-income wage earners being the target population. The FISSP also partners with organizations that offer financial literacy and asset building services so families can be enrolled for these services at the tax assistance sites.

The American Association of Retired Persons (AARP) and Legal Aid Society of Hawaii (LASH) provide free tax preparation services, however, are not partnered with organizations that offer financial literacy services, therefore, families must enroll on their own. HACBED through the FISSP, is the only organization that provides free tax preparation services and linkages to financial literacy and asset-building services at one site.

8. List state agency personnel, by position title, who will be involved in the approval process and administration of the contract:

Lillian B. Koller, Director  
Pankaj Bhanot - Division Administrator  
Scott Nakasone - Acting Employment & Training Program Administrator  
Gwen Murashige - First-to-Work Program Specialist

9. Direct questions to (name & position): Gwen Murashige, FTW Program Specialist
