

RFP DLIR/WDD 2016-1: Addendum #1

ETF Micro

This Addendum consists of Part A: Amendments to RFP No. DLIR/WDD 2016-01 and Part B: Responses to questions raised by prospective applicants.

August 6, 2015

A. Amendments to RFP:

The below changes will amend the existing language in the RFP.

1. All references to submission deadline of **August 21, 2015** will be replaced with **Monday, August 24, 2015 by 4:30 p.m.** All other submission requirements still apply.
2. 2nd page, Request for Proposals, fourth paragraph, first sentence:
Original Sentence:
The deadline for submission of written questions is 4:30 p.m., HST, on August July 31, 2015.

Amended Sentence:
The deadline for submission of written questions is 4:30 p.m., HST, on July 31, 2015.
3. Section 1 Administrative Overview, page 1-1:

Original Sentence:

Contract start date: July 4, 2015

Amended Sentence:

January 4, 2016
4. Page 2-13, Section 2.III

Amend lettering "Consultation with Provider" from section "g" to "h."
5. Section 5, Attachment A: Proposal Application Checklist

Please utilize attached revised Proposal Application Checklist. Revised checklist now includes line item, “Proof of DOE Licensure/Exemption.”

Applicants that are requesting from DOE a license or exemption may provide proof of correspondence for requesting licensure or exemption will be accepted as a temporary form of compliance.

Contracts will not be signed with awardees until sufficient proof of exemption or licensure from DOE is provided.

6. *Section 5, Attachment F, Special Conditions, #10.*

Original Sentence:

*ETF does not fund credit courses leading to an academic degree (e.g. **Certificate of Achievement**, Associate of Arts, Baccalaureate, Masters, or higher level degree).*

Amended sentence:

ETF does not fund credit courses leading to an academic degree (e.g. Associate of Arts, Baccalaureate, Masters, or higher level degree).

B. Questions and Responses

Responses to all written questions are addressed in Section A and are considered as amendments to the RFP.
