## **Section 2**

# **Service Specifications**

**Service: TITLE IV-B/2, PROMOTING SAFE AND STABLE FAMILIES: POST PERMANENCY SERVICES – OAHU**

**Section 2  
Service Specifications**

**I. Introduction**

**A. Background**

The Department of Human Services, Social Services Division, Child Welfare Services Branch (Department) provides social and case management services to children and their biological, extended, foster, or adoptive families to ensure safe, nurturing, and permanent families for Hawaii's children.

**B. Purpose or Need**

Each year families on Oahu adopt or assume legal guardianship or permanent custody of approximately 300 children. Children adopted from the Department's foster care system often face a variety of physical and emotional special needs, such as depression and anxiety, mental illness, sexual acting out, fetal alcohol syndrome or effect, attention deficit disorder, attachment disorders, learning disabilities, speech and language impairments, and other disabilities. Families need information, support, and in some cases, intensive services to strengthen and enable them to handle the challenges of parenting. Pre- and post-permanency services are critical to achieving permanent, stable, and nurturing families for children, as well as maintaining those families who have already adopted or assumed legal guardianship of children.

The purpose of the Title IV-B subpart 2 grant, a federal capped entitlement under the Social Security Act, is

- 1) To prevent child maltreatment among families at risk through the provision of supportive family services
- 2) To assure children's safety within the home and preserve intact families in which children have been maltreated when the family's problems can be addressed effectively
- 3) To address the problems of families whose children have been placed in foster care so that reunification may occur in a safe and stable manner in accordance with the Adoption and Safe Families Act of 1997
- 4) To support adoptive families by providing support services as necessary so that they can make a lifetime commitment to their children.

The following Title IV-B subpart 2 services are being purchased to achieve and preserve safe, nurturing, and permanent homes for families who plan to provide permanency for a child or have adopted or assumed legal guardianship of a child on the island of Oahu:

1. Family Support Services

Community-based services to promote the safety and well-being of children and families, designed to increase the strength and stability of permanency families, (including pre-adoptive, adoptive, and legal guardians), increase parents' confidence and competence in their parenting

abilities, afford children a safe, stable, and supportive family environment, enhance child development, strengthen parental relationships, and promote healthy marriages.

2. Adoption Promotion and Support Services

Services and activities designed to encourage more adoptions out of the foster care system when these arrangements promote the best interests of children. Activities may include pre- and post-permanency services and activities designed to expedite the adoption process and support adoptive families.

**C. Planning Activities (check all that apply):**

- Information from funders (legislature, federal agencies, private foundations, etc.) on funding terms and conditions;
- Information from other state agencies on services to the same target group;
- Views of service recipients and community advocacy groups on conditions affecting achievement of desired goals;
- Views of provider organizations on how to improve service specifications; a request for information (RFI) process may have been used for this purpose;
- Information from POS monitoring and other reports for current contracts; and
- Other data (socio-economic and health trends, waiting lists for services, client satisfaction surveys, etc.).

**D. Description of the Goals of Service:**

The goals of service reflect the three broad outcome domains in the continuum of child welfare services: safety, permanency, and child and family well-being. The goals of the Child Welfare Services Branch are:

1. Reduce the recurrence of child abuse and/or neglect
2. Reduce the incidence of child abuse and/or neglect in foster care
3. Increase permanency for children in foster care
4. Reduce time in foster care to reunification without increasing re-entry.
5. Reduce time in foster care to adoption
6. Increase placement stability
7. Reduce placements of young children in group homes or institutions

Service activities shall be based on the principles of family-centered, strengths/needs-based practice. The guiding principles of family-centered based practice in the Child Welfare Services Branch are:

1. The safety of children is the paramount concern that must guide all child welfare services and when making service provision, placement, and permanency planning decisions.
2. Reasonable efforts to maintain and reunify families are important. However, when it is determined that the child's safety in the family cannot be assured due to certain aggravated circumstances or after a period of 12 months of service activities, the Department shall move towards a permanent placement for the child. Thus, risk and safety assessment skills are important in maintaining the quality of decision-making in child welfare services.
3. Family crises provide opportunities to the families to address problems. When timely, high quality, and appropriate services are provided to families in crisis, family members, Child Welfare Services Branch staff, and Family Courts are able to make informed decisions about biological, foster, or adoptive parents' ability to protect and care for their children.
4. If children cannot remain safely in their homes, foster care and other temporary placements must consider each child's need for attachment. Every child needs enduring relationships with adults and needs to belong to a family. If safety cannot be assured with the biological family, children are entitled to safe, nurturing, permanent families.
5. Service activities must be comprehensive, coordinated, and collaborative and provided in all designated geographic areas under the contract.
6. Service activities must be developed in partnership with families and should be competent, culturally appropriate and responsive to the strengths, needs, values and preferences of each child and family, and delivered in a manner that is respectful. Service activities must address the physical, social, emotional, and educational needs of the child and the family's ability to protect the child. Service activities must provide clear and attainable goals and objectives for each participant.
7. Service activities must empower families to help themselves and to gain and maintain mastery and control over their ability to protect their children.

**E. Description of the target population to be served**

- 1) Pre-permanency (adoptive, legal guardianship or permanent custodial) families that a) are referred by CWS or other professional agencies; or b) self-referred.
- 2) Families that have adopted, assumed legal guardianship, or assumed permanent custody of a child and a) are referred by CWS or other professional agencies; or b) self-referred.

CWS referrals shall have first priority.

**F. Geographic coverage of service**

The geographic coverage for this service is the islands of Oahu. Assurance must be given that each island will be provided with the full range of services described.

**G. Probable funding amounts, source, and period of availability**

The funding for services under this RFP is approximately \$139,000 for FY 2010 and \$139,000 for FY 2011, and is subject to availability.

Funding under this RFP provides for: 1) an allocation for the Provider's administrative expenses (not to exceed 15%); and 2) the balance of the contract amount to be expended for the provision of services in accordance with this RFP.

Additional funding may become available over the life of the contract, and the sources of funding may change. Funding for any given year or for the contract as a whole may increase up to 300% of the original amount without being considered a fundamental change according to section 3-149-303(d) of Hawaii Administrative Rules. Increases are subject to availability of funds, program utilization, and satisfactory performance.

During the term of the contract the parties may renegotiate terms and conditions related to the performance of the PROVIDER including but not limited to measurable outcomes, benchmarks for monitoring timely and adequate provision of services, special reporting requirements, pricing methodology, units of service, unit rates, and penalties. At the time of the renegotiation either party has the right to terminate this Agreement under Exhibit "D", General Conditions, paragraph 4.3 or 4.4 as applicable. Any amendments to this Agreement will not constitute a fundamental change as defined in §3-149-303(d) of Hawaii Administrative Rules. A fundamental change is one which "is so great that a reasonable purchasing agency would in light of all the circumstances, re-procure the required services instead of amending an existing contract in order to assure that the state is receiving the most advantageous bargain."

**II. General Requirements**

**A. Specific qualifications or requirements, including but not limited to licensure or accreditation**

7. The provider must assure and be responsible for the continuity of service activities by providing full service activity in the event of staff illness, medical emergencies, vacancies, or other situations that result in program resources that are less than proposed and contracted for. The provider must not require nor depend on the Department's staff to provide service activities in the event that program resources are not available due to the above situations.
8. The provider must evaluate its program by using credible and tested measurement tools for program effectiveness in achieving outcomes, including measures of client satisfaction.
9. The provider shall conduct criminal history, and CWS central registry checks and shall ensure that no employee has a record of criminal convictions or CWS involvement that would pose a risk to children or families.

If the scheduled expiration date of the liability insurance policy is earlier than the expiration date of the time for performance under this Agreement, the PROVIDER, upon renewal of the policy, shall promptly cause to be provided to the STATE an updated certificate of insurance. The certificates of insurance shall expressly provide that the insurance policy shall not be cancelled unless the insurance company has first given to the STATE thirty (30) calendar days’ written notice of the intended cancellation.

2. AUTOMOBILE LIABILITY INSURANCE

Automobile liability insurance as applicable for automobiles owned or leased by PROVIDER and used to carry out services specified in this Agreement shall be obtained from a company authorized to do business in the State of Hawaii, or meet Section 431:8-301, Hawaii Revised Statutes, if utilizing an insurance company not licensed by the State of Hawaii and complying with the Hawaii No Fault Insurance Law. The amount shall be at least THREE HUNDRED THOUSAND AND NO/100 DOLLARS (\$300,000.00) each person with respect to bodily injury and FIFTY THOUSAND AND NO/100 DOLLARS (\$50,000.00) each occurrence with respect to property damage. Prior to or upon execution of this Agreement, PROVIDER shall furnish STATE with a Certificate of Insurance verifying the existence of such insurance. Such certificate shall also contain an endorsement that such insurance may not be cancelled, except upon thirty (30) calendar days written notice to STATE.

If the PROVIDER'S employees are required to use personally owned automobiles to transport clients in order to carry out services specified in this Agreement, PROVIDER shall require said employees to have a valid driver's license and to use only vehicles for which there is automobile liability coverage of at least ONE HUNDRED THOUSAND AND NO/100 DOLLARS (\$100,000.00) each person with respect to bodily injury and THIRTY THOUSAND AND NO/100 DOLLARS (\$30,000.00) each occurrence with respect to property damage.

Prior to or upon execution of this Agreement, PROVIDER shall furnish STATE with a Certificate of Insurance, verifying the existence of such insurance. Such certificate shall also contain an endorsement that such insurance may not be cancelled except upon thirty (30) calendar days written notice to STATE.

Failure of PROVIDER to provide and keep in force such insurance shall be regarded as failure to provide the required services adequately or satisfactorily, entitling STATE to exercise any or all of the remedies provided in this Agreement.

The procuring of such required policy or policies of insurance shall not be construed to limit PROVIDER'S liability hereunder nor to fulfill the indemnification provisions and requirements of this Agreement. **CRIMINAL HISTORY RECORD CHECK  
STANDARDS (Revised 10/3/2008)**

**PROTECTIVE SERVICES CENTRAL REGISTRY  
STANDARDS (Revised 10/3/2008)**

DEPARTMENT OF HUMAN SERVICES  
Social Services Division

CRIMINAL HISTORY RECORD CHECK STANDARDS

I. PURPOSE

To protect the health, safety and welfare of Adult and Community Care Services Branch (ACCSB) and Child Welfare Service Branch (CWSB) clients, criminal history information on an individual who wishes to serve as a direct service provider shall be considered in determining whether the individual is suitable to serve as a direct service provider to ACCSB/CWSB clients.

II. STATE CRIMINAL INFORMATION SYSTEM CHECK

- A. Upon implementation of these standards, a check of the Criminal Justice Information System (CJIS) and the Federal Bureau of Investigation (FBI) data system for a criminal history record check shall be conducted when an individual is:
1. Conditionally offered a position as a direct service provider by an agency, purchase of service contractor, or individual employer. Pending the completion of the criminal history record check, the individual may be placed in a direct service provider position on a probationary status not to exceed thirty (30) days;
  2. In a direct service provider position when these standards become effective. The criminal history record check shall be completed within six (6) months of the effective date of these standards.
- B. The criminal history record check shall include the submission of fingerprints to the FBI and the CJIS for a State criminal history record check.
- C. Individuals shall have a criminal history record check upon initial hire or implementation of these standards and a second criminal history record check twelve months later. Thereafter, State name checks shall be conducted every other year.
- D. The responsibility for conducting a criminal history record check shall rest with the individual seeking to become a direct service provider or the individual/agency/organization hiring the individual as a direct service provider.
- E. The criminal history record checks shall be conducted through:
1. For ACCSB providers: The Department of Human Services (DHS) designee contracted to fingerprint individuals and to submit information to and receive information from the FBI and CJIS. The individual shall complete, sign and date the DHS 1645, "Authorization for Criminal

History Record Clearance”, and submit the completed form to the DHS designee;

2. For ACCSB and CWSB providers: State name checks are to be obtained from the Hawaii Criminal Justice Data Center (HCJDC) website: (<http://ecrim.ehawaii.gov/ahewa/>). Individuals who do not have access to a computer may request information from the following:

**Oahu:** Hawaii Criminal Justice Data Center  
465 South King Street, Room 101  
Honolulu, Hawaii 96813

The Oahu office, for an additional fee, will process mailed-in requests for criminal history records checks.

**Neighbor Islands:** County police stations where HCJDC computer terminals are available. Molokai and Lanai are covered through the main police station on Maui.

- F. - G. Fingerprint results and/or a printed name check in the State criminal history records, dated no more than six (6) months before the date an initial criminal history record check is required, may be accepted instead of a new criminal history record check being performed.
- H. DHS shall not be directly responsible for any cost related to the criminal history record check. Funds received through a Purchase of Service contract with DHS for administrative costs may be used to meet the cost for criminal history record checks.

The CWS Central Registry shall be checked for individuals serving as direct service providers for CWSB clients. Both Registries shall be checked for individuals serving as direct service providers for both ACCSB and CWSB clients, and for ACCSB clients who are minor children.

These Protective Services Central Registry Check Standards do not apply to direct service providers who must meet the licensing standards as specified in the Child-Caring Institution and/or Child-Placing Organization administrative rules.

II. PROTECTIVE SERVICES CENTRAL REGISTRY CHECK

- A. Upon implementation of these standards, a check of the Protective Services Central Registry shall be conducted when an individual is:
1. Conditionally offered a position as a direct service provider by an agency, purchase of service contractor, or individual employer. Pending the completion of the Protective Services Central Registry check, the individual may be placed in a direct service provider position on a probationary status not to exceed thirty (30) days; or
  2. In a direct service provider position when these standards become effective. The Protective Services Central Registry check shall be completed within six (6) months of the effective date of these standards.
- B. Individuals shall have a Protective Services Central Registry check upon initial hire or implementation of these standards and a second Protective Services Central Registry check twelve (12) months later. Thereafter, Protective Services Central Registry checks shall be conducted every other year.

C. The Department of Human Services or its designee is responsible for conducting the Protective Services Central Registry checks upon request of the individual seeking to become a direct service provider.

1. **For ACCSB Direct Service Providers:** The individual shall sign and date form DHS 1507, “Authorization to Release Information from the Protective Services Central Registry, Adult & Community Care Services Branch”, and mail (not fax) the completed form to:

E. A copy of a Protective Services Central Registry check, dated no more than six (6) months before the date an initial Protective Services Central Registry check is required, may be accepted instead of a new Protective Services Central Registry check being performed.

### III. PROTECTIVE SERVICES CENTRAL REGISTRY CHECKS IN HIRING AND TERMINATING DIRECT SERVICE PROVIDERS

When the Protective Services Central Registry check indicates that abuse has been confirmed, the individual/agency/organization hiring the individual as a direct service provider must inquire of that individual as to the nature and circumstance of the confirmed abuse. Information obtained by the individual/agency/organization from the Protective Services Central Registry check shall be taken into consideration when hiring and terminating individuals as direct service providers. An offer of employment shall be withdrawn or the position of a direct service provider shall be terminated when:

- A. A prospective or current direct service provider has a Protective Services Central Registry check indicating that abuse was confirmed and that the abuse occurred within ten (10) years of the date of the Protective Services Central Registry check. A confirmation of abuse occurring more than ten (10) years of the date of the Protective Service Central Registry check may be considered when the abuse confirmation history of the individual may pose a risk to the health, welfare and safety of service recipients; and
- B. The confirmed abuse has a rational relationship to a direct service provider's position. Rational relationship means the confirmed abuse is substantially related to the qualifications, duties and responsibilities of a direct service provider position.
- C. Exemptions from the requirements of sections III. A. and B. may be approved for ACCSB providers by the DHS designee and for CWSB providers by the CWSB.
  1. Requests for exemptions shall be made in writing by using form DHS 1673, "Request for Exemption (From Criminal Conviction Records Check Standards or Protective Services Central Registry Check Standards)", or a similar form. The individual seeking the exemption must complete the DHS 1673 or similar form. A copy of the individual's current Protective Services Central Registry check must accompany the request.
  2. The "Checklist for Exemption Request" may be used as a reminder of the documents to be submitted for EACH exemption request.
  3. The employer agency must be involved in the exemption process to assure the timely submittal of all required documents and appropriateness of the exemption request. Requests for exemptions shall be routed through the prospective employer agency prior to submittal to the Department or its designee.
  4. **For ACCSB Providers:** All documents shall be submitted to the DHS designee. Upon receipt of the written exemption request and other required documents listed on the "Checklist for Exemption Request", the DHS designee shall convene a panel consisting of three (3) professional level multi-disciplinary team members to review the request. The panel shall include individuals in at least two different professions with backgrounds in criminal justice, legal and/or the therapeutic mental health field.

5. **For CWSB Providers:** All documents shall be submitted to the CWSB Administrator. Upon receipt of the written exemption request and other required documents listed on the “Checklist for Exemption Request”, the CWSB Administrator shall convene a panel to review the request. The panel may include the CWSB Administrator or designee, the CWSB Program Development Administrator, relevant CWSB Assistant Program and Section Administrators, and anyone else deemed appropriate by the CWSB Administrator or designee.
  6. The panel shall consider the following:
    - a. The relevancy of the individual’s protective services history to the qualifications, functions and duties of the direct service provider position the individual wishes to fill;
    - b. Passage of time since the abuse was committed; and
    - c. Any evidence of rehabilitation, such as letters from counselors or therapists attesting to a sustained improvement in the individual’s behavior, character references, and activities since the commission of abuse.
  7. A single factor may not be evidence of rehabilitation. If necessary, the panel shall request additional information from the individual seeking the exemption.
  8. Individuals requesting exemptions shall be informed in writing of the panel’s decision within 45 calendar days from the date the panel receives all documents needed for a decision to be made. The panel may extend the 45-day period with cause and a written explanation to the individual seeking the exemption.
  9. Individuals who are dissatisfied with the panel decisions on their exemption requests may:
    - a. Request an informal discussion with the ACCSB/CWSB Administrator; and/or
    - b. Appeal the panel’s decision to the Social Services Division Administrator.
- D. ACCSB clients may choose not to do APS Central Registry checks on individuals they hire on their own. Clients who choose not to have APS Central Registry checks shall complete form DHS 1672, “Consumer-Employer Choice Regarding Criminal Conviction Record Check and Adult Protective Services (APS) Central Registry Check”, to acknowledge their understanding of these standards and the purpose for the checks, and their decision not to conduct criminal conviction record or APS Central Registry checks on the individuals they plan to hire as direct service providers.

The PROVIDER shall furnish a copy of any such audit to STATE.
10. **Federal Funds.** In addition to Section 1.1.2, Federal Funds, of the General Conditions, Exhibit "D", when receiving Federal Funds, the PROVIDER shall comply with all regulations and requirements of the expending Federal agency and complete all required forms and documents. The PROVIDER shall allow full access to records, reports, files, and other documents so that the program, management, and fiscal practices may be monitored by federal representatives directly connected with the program under this Agreement.
11. **Accounting System.** The PROVIDER shall maintain an adequate accounting system for keeping procurement and financial records required by STATE, and shall maintain books, records, documents and other evidence which sufficiently and properly reflect all funds received, all direct and indirect expenditures of any nature related to PROVIDER'S performance and provide an adequate audit trail to support the claims for reimbursement under this AGREEMENT. The requirements for an adequate accounting system shall include, but are not limited to:
- The ability to keep all the procurement and financial records accurately as required by law, the purchasing agency, or the state procurement office;
  - The ability to permit timely development of all necessary cost data in the form required by the specific contract type contemplated; or
  - Compliance with generally accepted accounting principles.
12. **Maintain Records.** In addition to General Conditions, Exhibit "D", Section 2.3, Record Retention, PROVIDER shall maintain statistical, clinical and administrative records pertaining to services of this Agreement. The records shall be subject at all reasonable times to inspection or review by STATE or Federal representatives directly connected with the program area under this Agreement.
13. **Intent to Reduce, Terminate or Deny Services.** The PROVIDER shall notify STATE of its intent to reduce, terminate or deny services to a STATE referred individual or family at least fourteen (14) working days before the date of termination or denial of services, except in cases which require immediate termination, or as stated elsewhere in this Agreement.

14. **For Business Termination.** In addition to the requirements of Section 4.2, Termination in General, in the General Conditions, Exhibit “D”, PROVIDER further agrees to the following: if PROVIDER shall cease conducting business in the normal course, become insolvent, make a general assignment for the benefit of creditors, suffer or permit the appointment of a receiver for its business or assets, or shall avail itself of, or become subject to, any proceeding under the Federal Bankruptcy Code or any other statute of any state relating to insolvency or the protection of rights of creditors, then at the option of STATE this Agreement shall terminate and be of no further force and effect and any property or rights of STATE, tangible or intangible, shall immediately without further notice or demand, be returned to STATE.

15. **Equipment.** If more than fifty percent (50%) of total contract funds specified in Exhibit “B” of this Agreement are paid according to a cost reimbursement pricing methodology, then all equipment purchased with contract funds under this Agreement including items of personal property, as distinguished from real property, that have an acquisition cost of \$250.00 or more per item and with an expected life of more than one year, shall remain the property of STATE. The PROVIDER shall submit a Final Project Report to the STATE containing the information specified in Exhibit “B” to this Agreement if applicable, or otherwise satisfactory to the STATE, documenting the PROVIDER’s overall efforts toward meeting the requirements of this Agreement, and where applicable in Exhibit “B,” listing expenditures actually incurred and units actually delivered in the performance of this Agreement. 18. As stated in Section 508 of Public Law 103-333, with regard to statements, press releases, requests for proposals, bid solicitations and other documents describing projects or programs funded in whole or in part with federal money, all grantees receiving federal funds, including but not limited to State and local governments and recipients of federal research grants, shall clearly state (1) the percentage of the total costs of the program or

project which will be financed with federal money, (2) the dollar amount of federal funds for the project or program, and (3) percentage and dollar amount of the total costs of the project or program that will be financed by non-governmental sources.

19. **Environmental Tobacco Smoke.** The Provider must comply with Public Law 103-227, Part C - Environmental Tobacco Smoke, also known as the Pro Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law does not apply to children's services provided in private residences, facilities funded solely by Medicare or Medicaid funds, and portions of facilities used for inpatient drug and alcohol treatment.

The Provider further agrees that the above language will be included in any subawards which contain provisions for the children's services and that all subgrantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to \$1,000 per day.

20. **Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tiered Covered Transactions.** The Provider agrees that any subgrantee under this agreement, also known as a lower tier participant under federal regulations, shall sign the following Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion – Lower Tiered Covered Transactions:
- a. The prospective lower tier participant certifies, by submission of this proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.
  - b. Where the prospective lower tier participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

21. **Nondiscrimination.**

- a. **Race, Color, and National Origin.** In accordance with Part 80 of Title 45 of the Code of Federal Regulations which effectuates Title VI of the Civil Rights Act of 1964, the Provider and any subgrantees hereby assure that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded under this Agreement.
- b. **Handicap.** In accordance with Part 84 of Title 45 of the Code of Federal Regulations which effectuates section 504 of the Rehabilitation Act of 1973, the Provider and any subgrantees hereby assure that no qualified handicapped person shall, on the basis of handicap, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity funded under this Agreement.

- c. **Sex.** In accordance with Part 86 of Title 45 of the Code of Federal Regulations which effectuates Title IX of the Educational Amendments of 1972 as well as section 844 of the Educational Amendments of 1974, the Provider and any subgrantees hereby assure that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any educational program or activity funded under this Agreement.
  - d. **Age.** In accordance with Part 91 of Title 45 of the Code of Federal Regulations which effectuates the Age Discrimination Act of 1975 and except as may be specified in the Scope of Services of this Agreement, no person shall, on the basis of age, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity funded under this Agreement.
22. **Certification Regarding Lobbying.** The Provider and any subgrantees shall sign and submit to State the Certification Regarding Lobbying as required by New Restrictions on Lobbying, Part 93 of Title 45 of the Code of Federal Regulations.
23. During the term of this Agreement the parties will be renegotiating terms and conditions related to the performance of the PROVIDER including but not limited to measurable outcomes, benchmarks for monitoring timely and adequate provision of services, special reporting requirements, pricing methodology, units of service, unit rates, penalties, incentives, and bonuses. At the time of the renegotiation either party has the right to terminate this Agreement under Exhibit "D", General Conditions, paragraph 4.3 or 4.4 as applicable. Any amendments to this Agreement will not constitute a fundamental change as defined in §3-149-303(d) of Hawaii Administrative Rules. A fundamental change is one which "is so great that a reasonable purchasing agency would in light of all the circumstances, re-procure the required services instead of amending an existing contract in order to assure that the state is receiving the most advantageous bargain."
24. PROVIDER acknowledges and agrees that STATE shall only compensate PROVIDER for services provided to referrals made by STATE, but that nothing contained in this Agreement obligates STATE to provide any such referrals to PROVIDER.
