Planning for this RFP has been ongoing during the course of the current contract. Since 2005, SAPB has been engaged in planning changes to the services provided through the HSPAMM program. Planning has involved SAPB review of current HSPAMM services, examination of met/unmet needs for HIV medical management services, and seeking input from stakeholder groups such as physicians with patients who participate in HSPAMM, the Hawaii HIV/AIDS Community Planning Group, and providers of HIV case management services. In addition, a Request for Information (“RFI”) was conducted in accordance with §3-142-202, HAR. RFI notice was posted on March 7, 2011 to the State of Hawaii State Procurement Office website.
