

Section 4

Proposal Evaluation

Evaluation Process

The evaluation of proposals received in response to the RFP will be conducted comprehensively, fairly and impartially. Structural, quantitative scoring techniques will be utilized to maximize the objectivity of the evaluation. The procurement officer or an evaluation committee of designated reviewers selected by the head of the state purchasing agency or procurement officer shall review and evaluate proposals. When an evaluation committee is utilized, the committee will be comprised of individuals with experience in, knowledge of, and program responsibility for program service and financing. Each applicant shall receive a notice of award/non-award, which shall contain a statement of findings and decision for the award or non-award of the contract to each applicant.

Evaluation Criteria

On the next page is a sample of the evaluation sheet that will be used to evaluate proposal applications. Applicants will receive a report similar to the attached when upon completion of the evaluation process.

Evaluation Criteria for Qualifications

A pass/fail grading system will be used to screen qualified applicants. Qualified applicants must meet minimum experience requirements:

- Valid license to practice medicine in the State of Hawaii
- Current medical malpractice insurance

In addition, applicant must accept the pricing structure rate and state work schedule availability.
